The 1988 Football team was led by seniors Kevin Brennan, Patrick Casey, Tony Delucia, John Rago, Joseph Spencer, and John Murphy. Although, the odds were against this year's team they exhibited outstanding skills and plays on the field. Their teamwork and devotion led to a win against Billerica which was in honor of their captain John Rago. Credit was given to John Rago by the Lowell Sun for being an All-Star Player. Dickie Hersom received an award for being one of the best defensemen of the season. We wish the underclassmen the best of luck in the upcoming years.

Captain Lisa DeChellis, Willie the Wildcat, and Captain Maura Tully.

"Wilmington's got it. What have they got? The Wildcats that are on the top! . . ." The Wildcat cheerleaders strutted their stuff and had a memorable season. Their teamwork and dedication was proved during each football game. They psyched the crowds up and cheered the players on to victory, and boosted their spirits in defeat. Willie the Wildcat added much excitement to the game also.

FIELD HOCKEY

"We Got That Feeling . . ."

The Field Hockey team ended another awesome season with a record of 15-1-2. For the second consecutive year, the team captured the M.V.C. title. Their lone loss came in a hard fought game against Triton in the Division 2 North Semi-Finals.

No doubt our graduating seniors Leanne Bishop, Lori Cormier, Jen Delnino (Captain), Jill Martyn (Captain), Suzanne Peck, Kristen Peters, Bonnie Trout and Laurie Robinson will always remember: beating Tyngsboro 5-0 on THEIR field; Vaseline fights; pasta parties; Row, Row, Row your boat; all our "Talks"; sprints; 1 and a 2 and a, 1, 2, 3 . . .; trashing houses; Chinese firedrills; stealing the scarecrow/pumpkins; shaving cream raids with Draxcut; strokes against Ipswich; "Let's go big W"; and "Feet don't fail me now."

Most of all the team will always remember Jan and Urkie who taught us the best sport ever played.

The Girls Volleyball Team had a (ahem!) season full of HAPPINESS!! Our carrots were RAW, Our cabbage was Slaw, our sugar was Sweet, as we always faced defeat. Our team was led by Senior Co-Captains Melissa Peters & Jen O'Donnell, and seniors Brenda Jones, Kelly Sullivan, Sheryl Topping, and Lori Sellers. Jen O'Donnell had a successful season as she made MVC Small School All-Stars. Although we lost a few times, I don't think we ever laughed as much! Thanks Coach!

GIRLS SOCCER

BOYS X-COUNTRY

The Boys Cross Country team was not as successful as it has been in the past. The teams's dedication and enthusiasm was sparked by returning lettermen and continued by the underclassmen. Although a young team, the cross country will be a force to contend with future years.

The Wilmington High golf team had an enjoyable season. Led by seniors Mike Bento and Charles Presscott, they were a very competitive unit. They finally had a home course, Hillview Country Club, which proved to be very beneficial for the improvement of the team. During the season all members showed a vast improvement from match to match. In the Merrimack Valley tournament, Joe McFadyen came in first place in the small schools, while Chuck came in fourth. Assigned to the House of Representatives on Saturday were delegates Debbie Gigante and Mathew Ouellette. Observers for the conference were Jennifer Cuoco, Colleen Dunham, Nicole Husen, Nicole Bouchie, David MacMullin, Richard Whitney and Anna Zukas. Welcome back Willie! Where have you been? Our spirit has been lost without you but we are so glad you are back. You keep our spirits high throughout our sport seasons. Thanks to all the people who gave their time to keep Willie jiving. We are sure that as long as he is here our teams will prosper. Yo' Willie! We love you!

CLASS HISTORY

On September 5th, 1985, our class entered Wilmington High School. With our advisor, Miss Laura Boudreau, we elected Jennifer O'Donnell, President; Karen Lynch, Vice-President; Nancy O'Leary, Secretary; and Tammy Stedman, treasurer. Freshmen year was a year that will never be forgotten. The food fights, the pulled fire alarms, the smoke bombs were new to us as well as all the seniors whom we admired and wanted to be. Our class was the last to experience the original Wilmington High School. We ate lunch in the old cafe; we played basketball in the infamous Wildcat gym; and we had those broken green lockers that would never hold all of our books. We had to travel to the Swain for our industrial art classes, if in fact we went to class.

Sophomore year changed dramatically from the year before. We entered the year late due to the renovation, which of course still is not finished four years later. Mr. Fleming praised the work of the renovation and offered monetary rewards to those who had any information leading to the vandals who broke windows and spray painted the side of our new cafe. (Little did he know that it was only revenge from Tewksbury because we did the same to their school.)

Our new renovation consisted of new lockers (Yeah!), a new science area with complete labs so that Miss Dadoly and Mr. Krey could blow up the school, a complete new industrial art cenrer, a new large cafe big enough to accommodate three study halls, and, of course, a brand new gymnasium dedicated to the former Athletic Director, Mr. Lawrence Cushing.

New rooms were not all that our sophomore year had. We had a new advisor, Ms. Mary Vesperini, but we retained our incumbent class officers. The highlights of our sophomore year were the Half-way Dance held at the Sons of Italy Hall and Hawaiian Dance at Villanova Hall. The downfall of the year happened in April when Vice-Principal Jack Lynch was paralyzed by a stroke and could not return to school.

Junior year was filled with an ambitious administration with a stern, but kind, new Vice-Principal Virginia Blodgett. The year got off to a good start with the field hockey team winning the Merrimac Valley Conference Championship and going far in the state tournament. The year gradually fell apart. The administration "presented" the faculty, students, and parents with a new schedule for our senior year. This "schedule" of "great I-Periods where the students may choose to have an extra activity period" was opposed by many of the honor students who were basically told to "go away" by the administration and the school committee. Right, Kristen?

One new advisor was Mr. Michael Moresco with new class officers Jennifer O'Donnell, President; Karen Lynch, Vice-President; Jill Martyn, Secretary; and Noel Bouchie, Treasurer. Under their direction we had a fun and exciting Junior Prom at the Indian Ridge Country Club in Andover. The theme song of the prom was "This Could Be the Night" by Loverboy. The Queen of the Prom was Heidi Field, and the King was John McGrath. The conclusion of our Junior year was very traumatic. Incumbent president Jennifer O'Donnell was beaten by Steven Cutone in a much heated and vicious election that offended many faculty members and students.

The final year of our high school career was filled with excitement. Within days of our arrival back to school, Principal Fleming unreasonably issued a four time tardy decree, in which ISS would be enforced to those who were tardy four times or more. The students began to feel the crunch of the administration when Principal Fleming ordered detention to those late to class. Finally, the students — the seniors — had enough. We seniors decided to have a sit-in in the auditorium, which lasted more than three hours. We called the town newspaper which Principal Fleming told not to come. We were determined to solve our problems. According to the administration, there were no problems. Eventually, Mr. Fleming agreed to talk to thirty members of the Senior class. Gradually many things were changed including opening new bathrooms and finally getting a Senior Lounge.

Once again our class had a new advisor, Mrs. Carol King. With the help of a new President Steven Cutone, Vice-President Karen Lynch, Secretary Melissa Peters, and Treasurer Noel Bouche, the class had successful homecoming with Jennifer DelNinno as Queen and Scott Haliday as King.

With open arms, the Wilmington School System welcomed back former West Intermediate Principal William Fay as newly appointed School Superintendent.

This year, the girls' field hockey team was Merrimac Valley Conference Champions, while the girls' soccer and basketball teams entered the state tournament.

The Senior Prom, which was held on the 5th of May, was at the Danverspott Yacht Club in Danvers. A fun and enjoyable 89 Day Party was at the Sons of Italy on the 16th of March.

After taking our final final exams in high school, we seniors signed out and graduated from a relieved Wilmington High School.

We seniors would like to thank all those faculty members who have been dear friends of ours over the past four years and who have greatly contributed to the success of the Class of 1989.

Matthew A. Ouellette

TEACHER OF THE YEAR

The senior class is proud to have chosen Mrs. Linda Hayes as the '89 Teacher of the Year. Mrs. Hayes, who teaches Psychology, A.P. History and Careers, has been a popular addition to the W.H.S. staff since 1985. She has been the Student Council and Model Congress Advisor, in addition to being the personal adviser to many students in the senior class who have needed someone to talk to.

While Mrs. Hayes' classes are challenging, her assignments are always interesting, and her evaluations are fair. She takes a personal interest in her students and is always willing to spend extra time with them. She is a familiar chaperone at dances and proms, and a frequent spectator at Wildcat sports.

She began the traditional senior barbecue and the first Senior Olympics in 1988. She understands that there's more to the high school experience than homework, tests and class rank. Her letters of recommendation are so thoughtful and thorough that they can probably be credited with more college acceptances than the S.A.T.'s.

So, for her dedication to her profession, for her concern, for her interest in what we are and what we can become, the Class of '89 says, "Thank you, Mrs. Hayes. We'll never forget you."
